

# Nature Days For Children

Is your child interested in nature and wildlife?  
Are they curious to know more?

Friends of Abbey Fields are offering a series of Nature Days in 2024 for KS1 and KS2 children to come and discover more about the natural world around them.

Each Nature Day is packed with exploration, knowledge building, creative activities and fun, set in the beautiful backdrop of Abbey Fields and delivered by Jo Harper, who has a wealth of experience in nature and conservation education.

We can only take a maximum of 16 children per Nature Day, so please register your interest early to find out more and avoid disappointment.

Each Nature Day lasts from 9 am until 4 pm, with the option of collecting your child at 5 pm for a small extra charge. Jo Harper and her assistants have enhanced DBS checks. The first Nature Day is on 25 March 2024.
