

# Nature Days For Children

Is your child interested in nature and wildlife?  
Are they curious to know more?

After the success of our recent Nature Day, Friends of Abbey Fields are excited to offer an event for children in **School Years 3 to 6**.

The event is on **25<sup>th</sup> May**, the first Saturday of the half-term, and will take place from **1:00 p.m. to 5:00 p.m.** at the *Basement Snug* in Abbey Fields. The session will be packed with exploration, knowledge-building, creative activities, and fun, with the beautiful Abbey Fields providing the backdrop. Jo Harper, who has extensive experience in nature and conservation education, will deliver the event.

The session, subsidised by Friends of Abbey Fields and the Kenilworth Lions, is **priced at just £12.00**. However, availability is limited, so we encourage you to apply early to secure your child's place and avoid disappointment.
