

Friends of Abbey Fields

Safety Regulations: Nature Walk

The following guidelines should be read before signing in to take part in the activity:

Suitable robust clothing and footwear should be worn to protect against nettles and brambles.

Care must be taken on slippery surfaces.

Do not enter the lakes and streams.

Contact the event leader in case of accident.

All volunteers must accept responsibility for their own actions and no liability can be placed on the event organiser, members of the FOAF committee or Warwick District Council.
