

Friends of Abbey Fields

Safety Regulations: Working Party

The following guidelines should be read by all participants before taking part in the activity:

- All participants must follow all instructions given by the event leader.
- All should wear suitably strong outdoor footwear and, where appropriate, heavy-duty gloves.
- Care must be taken when using hand tools to prevent injury.
- Broken glass and other sharp items should be collected carefully and double bagged for safety.
- Any bags must not be overloaded and must be easy to carry.
- Any waste bags to be gathered and placed in an appropriate place for later collection.
- Care must be taken on slippery surfaces.
- Do not enter the lakes and streams without permission from the event leader and wear suitable footwear.
- All participants must accept responsibility for their own actions and no liability can be placed on the event organiser, members of the FOAF committee or Warwick District Council.
